INTRODUCTION

The Handbook of Help is a listing of services available to individuals in Indianapolis who may be experiencing or at risk of homelessness. Information in this handbook is provided voluntarily by the organizations listed. These resources are not inclusive of all services. Inclusion of an organization does not in any way represent or imply a determination or approval of the quality of that organization or its service, nor does exclusion reflect on any organization’s contribution to the community.

To order the Handbook of Help for your organization, submit information updates, ask questions, or give feedback, contact:
HANDBOOK@CHIPINDY.ORG

GLOSSARY OF KEY TERMS

CONTINUUM OF CARE: A collaborative and engaged group of community members dedicated to preventing and ending homelessness in Indianapolis.

COORDINATED ENTRY SYSTEM (CES): A process designed to quickly identify, assess, refer, and connect people in crisis to housing, shelter, and assistance.

ELECTRONIC BENEFITS TRANSFER (EBT): AKA Hoosier Works card; the electronic distribution of SNAP or TANF benefits to Indiana families.

FOOD PANTRY VS. MEAL PROGRAM: A food pantry provides groceries to take with you, while a meal program provides one prepared meal.

HEALTHY INDIANA PLAN (HIP): An affordable health insurance program for low-income adults offered by the State of Indiana.

INPATIENT VS. OUTPATIENT CARE: Refers to whether a treatment facility provides overnight stays for services (inpatient care) or not (outpatient care).

PROTECTIVE ORDER VS. NO CONTACT ORDER: A protective order is a civil matter for people who have experienced abuse, a violent crime, or a sex offense. A no contact order is a criminal matter used to stop contact that could interfere with a court case. Although the term “restraining order” is commonly used, these are not issued in Indiana.

REFERRAL: A recommendation you receive (either on paper or by telephone) from a social service agency verifying who you are and your need for help.

SLIDING SCALE: Some organizations take your income into consideration when calculating the cost of services, possibly causing a reduction in fees.

SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP): Federal food assistance for low and no income people.

TEMPORARY ASSISTANCE FOR NEEDY FAMILIES (TANF): Provides cash assistance and supportive services to families with children under age 18.

WOMEN, INFANTS, AND CHILDREN (WIC): A nutrition program for low-income pregnant, breastfeeding, and non-breastfeeding postpartum women, as well as infants and children up to age 5 who are found to be at nutritional risk.

An accessible polling location. All locations must be accessible and have at least one accessible machine.

Vote absentee: 1) Absentee in-person (early voting); 2) Absentee by mail; 3) Absentee by traveling board.

DID YOU KNOW?
- You do NOT need a home to vote. You may list your permanent address as the shelter you stay at or the street intersection near where you sleep. If you stay in multiple locations, choose the location where you are most often.
- If you have been in prison, you have the right to vote once you are released. If you were registered to vote prior to being in prison, you will need to re-register at least 30 days before Election Day.
- If you do not have a government-issued photo ID, you have the right to request a free voter registration card to use instead. An application may be obtained from visiting the Bureau of Motor Vehicles (BMV). Bring your birth certificate, Social Security card, and two pieces of mail that you have received in the last 60 days. If you cannot provide mail, you may prove your residency by providing a residence affidavit, which you can request from the staff of a shelter or resource organization. You will also need to provide a mailing address to receive your voter registration card. If the mail cannot be delivered, the post office will send back the card and the registration will be cancelled.
